Ferndale Library's Newsletter

## FALL in love with your local library...

Oh, that's US! *We're* your local library! Have you signed up for your library card yet? Maybe you have, but if it's been a while, it might be time to renew! Either way, you should swing by sometime soon!

In fact, October is an excellent month to visit the library, because it's **Michigan Library Appreciation Month**... a time to recognize and celebrate the vital role libraries play in communities all across our state, highlighting their contributions to education, lifelong learning, and access to resources. Here are a few ways you could celebrate/observe this appreciative month: **1.)** Just visit us—we're open seven days a week! **2.)** Follow us on socials—we consistently create cute & informative content. **3.)** Get that library card—it's quick, easy, and you can even do it online! Plus, our Library Card Sign-Up Month Bingo Challenge runs up until October 31!

### Speaking of Appreciation: We appreciate YOU, Ferndale...

And, ya know, we'd also appreciate *hearing* from you! But not exactly through social media, maybe something a little more analog: like our new *Suggestion Box*! In the spirit of "library appreciation," we really would love to hear some of your own personal library stories, be they fond memories or positive experiences--both of which aren't as easy to capture in the day-to-day shuffle of social media tags or comments. At the same time, we also welcome your feedback — we want to know how we can continue to be the best library we possibly can be! Swing by the library sometime and visit a service desk--let us know what you appreciate, or let us know what we could consider for our services in the near future!

### IN OTHER NEWS:

We're launching some exciting new recurring programs this month, and in some cases, we're reviving one that had been previously popular with our patrons. **October** will see the return of our Writers Group for adults, which will start meeting inside the newly refashioned Catfe, adjacent to the Ferndale Cat Shelter—this isn't necessarily suggesting a correlation between writers and cats, but at the same time, maybe? Our Writers Group has been on a temporary hiatus for a while, but we're excited to have it back!

We're also happy to announce the return of our popular Pen Pal Program for kids! This subtle form of early literacy development proves to be both fun and exciting for kids of all ages, as they address their own unique messages and greetings to any puppet of their choice from our substantial cast of characters! Visit the Kids Corner for more information!

Meanwhile, also in October, we'll be launching our new **Romance Book Club**! The inaugural meeting, which is likely already fully registered, is being held at Love & Other Books. However, as we move into the autumn and winter months, these meetings will be hosted off-site at Urbanrest Brewing.

### Tag Us

Listen, libraries are cool! But we might be biased. Still, why not spread the good word and let your friends know how much you **appreciate** your local library? If you're geeked about a book you checked out, or just cozying up by our fireplace, maybe post about it and tag us—get your circle hyped about signing up for a library card! We even have a giant novelty library card sign that you can post with for a picture when you sign up! Swing by and say Hi!

## Sunday Songwriters Series

Free, All-Ages Concerts, sponsored by the Friends of the Ferndale Library

### October 12 - 2:00 pm: The Luddites

The Luddites are a fun, eclectic, and talented 10-piece band performing high-energy original music that taps into an old-world, Bohemian-Folk vibe. The highly charismatic group is led by singer Lisa Goedert, and includes a four-piece horn section! Their music swings with a mixture of mischief, reverence, and vaudeville. The Luddites have received eight Detroit Music Awards, the latest under the World Music category.

### November 9 - 2:00 pm:

#### Jennifer Westwood & Dylan Dunbar

Jennifer Westwood is a highly engaging performer and versatile genre-chameleon with a rich musical upbringing, evolving across gospel, soul, jazz, blues, and rock 'n' roll! Dylan Dunbar has years of experience in blues-rock performance and has moonlighted with several Grammy-winning artists, while also contributing to Westwood's backing band, the Handsome Devils.

### December 14 - 2:00 pm: Marbrisa

Marbrisa started her musical journey in Latin America at age 23. This ambitious, self-taught musician got her chops by accompanying locals in Guatemala on their busking trips, from buses to street markets, and local cafeterias. She studied Flamenco guitar in Spain and now blends everything from Latin and jazz to R&B and folk. While in New Orleans, she founded an ongoing composer event, Queens of the Song Age, currently hosted at the Detroit House of Music.

## Recent Renovations

The proverbial dust is finally settling. Our two new single-stall restrooms are open and functional! And since the installation of these new facilities required the Friends of the Ferndale Library's Used Bookstore to move to a new space, adjacent to the Adult Media Section, that meant we had some new, extra wall-space where we could set up a new auxiliary display area for

patrons to browse through our consistently refreshed Staff Picks!

We also took some time in late August to lower the Adult Reference Desk, enhancing accessibility for patrons and improving communication between visitors and staff. We've also added high-contrast neon paint to the stairs in front of our East Entrance, reducing the risk of falls and improving accessibility for visitors who require visibility accommodations.

## ART Exhibitions:

### Tiny Art

Just last week, we hosted a special community art reception, celebrating the mini-masterpieces made by our talented patrons! But don't worry, you can still view dozens of these small-scale murals, portraits and abstracts—we have "tiny" works on display near the Circulation Desk throughout October! The Tiny Art program is just one example of our many take-home craft kits, which we offer on a monthly basis!

### Autumn Group Show

FADL's Art & Exhibitions Committee is curating another fantastic group show, embracing the theme of: Autumn!

Join us on **Sun., Oct. 26 @ 2:00 pm** for our Opening Reception! We'll have a wide variety of breathtaking and inspired works on display across a variety of mediums—all by local artists! Meet the creators, enjoy refreshments & live music!

No registration required! More info at: [fadl.org/art](http://fadl.org/art)

### Storybook Art by Natalia Sanchez

Stop by our Display Case in **November** to see dazzling works by Natalia Sanchez! Sanchez is a visual artist (& music teacher) often bringing to life fantasy scenes, natural landscapes, and video-game inspired pieces.

## Have you joined the CLUB yet?

Which club, you ask? Actually, that's a legitimate specificity to request, because our library hosts half a dozen unique clubs for adults & teens that meet regularly. Several of these are your traditional "book clubs," of course, but we've expanded our scheduled offerings over the last year to include an *album club*, *board game club*, *fiber arts club*, a pair of *rpg clubs*, and more!

On pages 4 & 7, you'll find more information about each individual club, including exact dates and times! We have a Graphic Novel Book Club that meets at Drifter, while our Album Club meets at Carajillo. We even have a Ferndale Project Book Club—take a guess as to where *that* club meets. 😊

We wanted to shout out our regular attendees and our community partner host locations! If you'd like to join, just visit our website and pick whichever club feels right for you!

## Fall Story Trail Book

Our Youth Librarians maintain a Story Trail at Martin Road Park, where you can enjoy the outdoors while reading a children's picture book! Twenty large signposts are spaced out along a smooth, paved path, with each sign displaying a page or two-page spread from an illustrated book!

Find more info and a map here:  
[fadl.org/story-trail](http://fadl.org/story-trail)

Our Fall Story Trail Book is "Berry Song," by author and illustrator Michaela Goade, a Caldecott Medalist, about celebrating the land and Tlingit culture through the story of a girl and her grandmother gathering berries.

## KIDS READ: Middle-Grade & YA by Librarian Mary Grahame

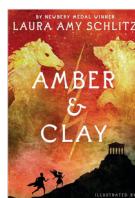

### *Everything Sad is Untrue* by Daniel Nayeri

Based on the author's memory of becoming a refugee as a child and written as though it's a presentation for English class, this book is about living through difficult times, not just surviving them. A beautifully written modern classic.

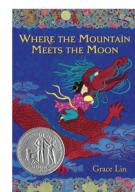

### *Amber and Clay* by Laura Amy Schlitz

A novel in verse, prose, and illustrations about the unlikely friendship of a very rich girl and a very poor boy in ancient Greece: by the time they meet, one of them is a ghost. This one's for the Greek mythology lovers, while also being a historically grounded, fresh story.

### *Where the Mountain Meets the Moon* by Grace Lin

This one's for the fairy tale fans! Minli is tired of seeing her parents and neighbors so hungry and hopeless, so she sets out with a magical goldfish and a dragon who cannot fly on a quest to reverse her village's bad luck. Don't miss the gorgeous illustrations.

## Teen Space: Available Weekday Afternoons

Attention parents/caregivers with teenagers at home: please let them know that our library has a dedicated Teen Space, available Monday through Friday from 2:00 pm to 6:00 pm.

Our Quiet Reading Room, where we keep our magazines/newspapers, officially changes to a Teen Space on weekday afternoons. During this time, adult patrons can find alternative quiet spaces near our Library of Things, behind the reference desk.

## New Collections: Large Print, Dyslexia Friendly Books, & Guided Reading Kits

Located next to the Youth Media section, you'll find three new collections: our Large Print J-Fiction collection features a mix of classic titles, modern releases, and popular series. Larger print provides more legible text, which eases concentration, improves comprehension, and increases overall reading enjoyment.

Below our Large Print J-Fic section is our new collection of Dyslexia-Friendly titles, featuring early readers, juvenile fiction, and picture books that use sans-serif font, color contrast, larger font size, and increased line and letter spacing to support reading.

Finally, we have three (3) NEW circulating Guided Reading kits that include two (2) bookmark-sized guide strips designed with a clear 'window' allowing readers to isolate lines of text, reducing visual stress, improving focus and comprehension. We have two circulating kits that can be checked out for 3 weeks, and one non-circulating kit for use inside the library.

## Fall Scavenger Hunt in the Kids Corner

Kids of all ages can help residents of Fern Forest track down items that are hidden throughout the Kids Corner. Our seasonal Scavenger Hunt program is refreshed with a new theme and a new set of clues on a quarterly basis, typically timed with the aesthetic refreshing of our Kids Corner decor, which our Youth Librarians lovingly create, in-house!

Throughout the autumn months, kids can help us track down a set of school supplies, strategically scattered throughout the Youth Area! Everyone who completes our Scavenger Hunt receives a commemorative prize! Ask at the Youth Desk for a map and, if need be, some clues!

## Banned Books Week: Oct. 5 - Oct. 11

Banned Books Week is a time to celebrate everyone's freedom to read, while drawing attention to historic and ongoing attempts at censoring the titles offered to the public on the shelves of libraries and bookstores across the country. In fact, this week helps to rally the global "book community," which includes not only librarians, but also educators, authors, publishers, booksellers, and, yes, the readers, advocating for our intellectual freedoms, a.k.a. our right to seek and express ideas.

That's why you'll see our library, and several others, arrange a display of books that have frequently been "challenged," i.e., endured attempts at being banned. Learn how you can help fight book banning at: [ala.org/bbooks](http://ala.org/bbooks)

## Outreach Programming: Ferndale Public Schools

During the academic year, our Youth Librarians are hard at work facilitating a variety of engaging outreach programs tailored to specific grade levels across the Ferndale Public School System.

#### • Storytimes at Ferndale Early Education Center:

FECC students are visited by a Ferndale Youth Librarian once a month for engaging stories and interactive songs.

• Ferndale Middle School Rainbow Club: This after-school program for LGBTQ+ middle schoolers and allies meets at FMS in a designated classroom with library staff and teachers for low-key social time with activities and snacks.

• **University High School Library Tours:** Rather than our librarians leading a program on-site at UHS, we coordinate monthly field trips for students to receive comprehensive tours of the library. During these visits, students can meet librarians and ask them questions while becoming familiar with our various collections and our dedicated teen space.

• **2026: Battle of the Books:** Battle of the Books is our literary tournament for Ferndale Upper Fifth-Graders, testing them with trivia around the themes, plots, and characters of six selected novels. Stay tuned for details about this springtime program; meanwhile, FADL Youth Librarians have already begun the selection process!

## Won't you be our Friend?

Imagine a world without the Friends of the Ferndale Library! Wait, no, that's too scary to even consider! Without the Friends, we wouldn't have the Summer Concert Series! We wouldn't have our weekly podcast! We wouldn't have some particularly special collections that they were able to help us build! Without the Friends, we wouldn't have been able to give you free ice cream scoops during June's Summer Reading Kickoff!

Won't you be our Friend? Public libraries across the nation have consistently been supported by groups of volunteers, charmingly known as Friends of the Library. In our case, the Friends of the Ferndale Library is one of the oldest such groups of its kind, founded in the early 1930s. These dedicated volunteers rally to support and strengthen the library's growing schedule of recurring programming and special events, and they help us enrich the resources we offer to the community!

**October 19 - October 25** is officially National Friends of Libraries Week, recognizing the vital role that Friends groups play in supporting and advocating for their local library, and how their subtle yet mighty efforts benefit their communities! Wanna celebrate with us?

**Mark your calendars for October 25:** That's when our Friends group will be hosting its annual Dip-Off Contest - a hybrid of a food sampling expo and a cooking tournament that can also serve as a wholesome membership drive! Do YOU have a famous dip that all of your friends and family consistently request you bring to parties? Or, are you maybe looking for a new recipe for the holiday season's gatherings? Or maybe, like Martin Short in *Only Murders In The Building* or Puddy from *Seinfeld*, you just really love dip!?

Join the Friends on Saturday, October 25, from 1 pm - 3 pm for the Dip-Off contest!  
Register online and prepare your dip for our panel of judges:

No need to be fancy: sometimes the best dips are the simplest! • • • • • • •  
Prizes will include some great Friends swag (scented candles, pins, shirts, and more)!  
It's also a great time to meet the current group of Friends and learn more  
about joining. You can also visit: [ferndalefriends.org](http://ferndalefriends.org)
