Director's Report -- 12/11/2025

fadl.org

# **General Update**

A significant portion of my time has been spent on our impending millage campaign. Following this report please find two documents for you to review at your leisure: a breakdown of what a mill is currently valued at and why our 3.5 voted mills is actually only 2.81 levied mills, and a "campaign calendar" published by The Library Marketing Group that breaks down what types of millage related activities are the responsibility of the library and which fall to "Yes Committees" external to the library.

Additionally, I have been working with our accountants (Maner) and our auditors (Gabridge) on the annual audit. It is still ongoing, but will be submitted to the state before the annual deadline. I have requested that Gabridge present the audit to the Board in January.

# **Building Updates**

One of the single stall restroom sinks cracked after four months of use. This is a warranty issue that will not cost anything to replace. I am working with our general contractors to get it replaced. Our HVAC vendors repaired vents and replaced fans in our staff and multi-stall restrooms and completed seasonal maintenance. This has had a positive impact in keeping the parts of the building with external walls at a comfortable temperature. The South Study Room is still a bit cooler than we would like (low sixties) despite the HVAC blowers functioning at spec. I am hoping to bring our architect on site soon to help me determine if in-floor radiant heat is functioning as intended in this space. We will have Tri-Pups on site next week to repair a section of soffit in the quiet space that has condensation damage. This will involve taking down a section of drywall, re-insulating the space, and putting the drywall back up. It is anticipated to take a full day.

#### Staff Updates

Congratulations to circulation specialist Caius Schneider, who has been promoted to Circulation Specialist II, the full-time position discussed in my last report. Caius has been working at FADL since December of 2024, and his first official day in his new job was this Monday. Caius comes to us from patient intake and reporting positions at Henry Ford Health, including at OptimEyes. In addition to having a pleasant and unflappable customer service presence, Caius impressed the hiring committee with his technical skills. You may recognize Caius from dressing up as Stitch and handing out ice cream tickets at our last Summer Reading Kickoff.

At our current taxable value of all properties (\$1,000,401,650) – and this number will change each tax year – the annual value of mill breaks down as follows:

1/4 or .25 mill	-	\$250,100
½ or .5 mill	-	\$500,200
¾ or .75 mill	-	\$750,030
1 mill	-	\$1,000,401
1.25 mills	-	\$1,250,502
1.5 mills	-	\$1,500,602
1.75 mills	-	\$1,750,702
2 mills	-	\$2,000,802
2.25 mills	-	\$2,250,903
2.5 mills	-	\$2,501,004
2.75 mills	-	\$2,751,104
3 mills	-	\$3,001,203
3.25 mills	-	\$3,251,503
3.5 mills	-	\$3,501,405
3.75 mills	-	\$3,751,506
4 mills	-	\$4,001,606

Maximum millage for a district library is 4 mills. Headlee means that 1) there is a permanent reduction in the voted millage, and 2) each year a new millage reduction factor is applied to the voted millage on top of the permanent reduction.

For the current tax year, our 3.5 mill voted millage is permanently reduced to 2.8646 mills, and then further reduced by the annual MRF to a maximum of 2.8204 mills. We are levying 2.81. Our current budget meets our operational needs, but does not adequately allow for accumulating unassigned funds for capital repairs and will become increasingly stressed over time as salaries and benefits rise due to union negotiations and increased costs of living.

FADL Board of Directors -

**Request for Board Action** 

fadl.org

From: Drew Macaulay, Library Director

Subject: Violation and Appeals Policy

**Summary**: Our public-facing policies reference a "Violation and Appeals Policy," yet historically we haven't actually had one. Attached please find one that reflects what is said in our public-facing polices and will provide a pathway for any patron to appeal any restriction of their access.

**Recommended Action**: It is the Library Director's recommendation that the Board adopt the attached policy for immediate implementation.

Moved by , Seconded by , to approve the Violation and Appeals Policy on December 11, 2025.

## Violation and Appeals Policy

The Library Director or the Library Director's designee may restrict access to Library facilities with immediate dismissal of the patron from the premises, by suspending the patron's access to Library facilities for a set period of time, or by denying access to specific services and/or programs for violations of Library policies. When necessary, the local police may be called to intervene.

- A. Incident Reports. Library staff shall record in writing in the form of an Incident Report any violation of Policy that resulted in a verbal warning or a suspension of Library privileges. By the end of the day on which the incident occurred, an Incident Report shall be written and logged. The report should include physical descriptions in addition to the name of the patron, if possible. A copy of the suspension of privileges letter should be attached, if applicable.
- B. Violation of the Policy Suspension of Privileges. Even if the police have been called to intervene, the Library may still take action to suspend privilege for violations as follows:
  - Initial Violation: Library patrons observed violating Policy will be asked to cease
    the violation with a verbal request. If the patron does not comply with the
    request, they will be asked to leave the building for the day. If they refuse, the
    police may be called.
  - 2. Subsequent Violations: The Library Director or the Library Director's designee may further limit or suspend the patron's Library privileges if infractions continue. Such limitation or revocation shall be in writing specifying the nature of the violation. Subsequent violations of the same rule shall result in additional suspensions of increasing length.
- C. Reinstatement. If requested by the Director, the patron whose privileges have been limited or suspended shall attend a meeting with the Library Director or the Library Director's designee to review the Library Patron Behavior Policy before their privileges may be reinstated. The Library Director may impose conditions for the reinstatement.
- D. Right of Appeal. Patrons may appeal (1) a decision to limit or suspend privileges or (2) the conditions placed on reinstatement by sending a written appeal to the Library Board within 10 business days of the date of the decision. The appeal should be sent to the President of the Library Board. The decision of the Library Board is final.
